

Dear partner,

please note that we have switched over to electronic invoicing through OP cooperative bank. Electronic processing of invoices simplifies invoicing and is more inexpensive for both the sender and the recipient.

We kindly ask to have your company's invoices as e-invoices in future:

- Our e-invoice address is
- The identifier of our payment service provider OP cooperative bank is OKOYFIHH.

Starting electronic invoicing is easy:

- You can send your e-invoice by using the e-invoicing service of OP cooperative bank, another financial institution or your e-invoice operator.

Our contact person for electronic invoicing is

Please notify us before sending us your first e-invoice. Let's make sure together that you have all the needed information at your disposal.

Best regards,
